- 15-1 It is hereby agreed by the CCAA that there will be no strikes, stoppages of work or slowdown of the operations of the District during the term of this Agreement.

ARTICLE XVI - REDUCTION IN FORCE

- 16-1 The District retains the right to determine when a reduction in force/layoff is necessary and the areas within which such reductions in force will occur. The CCAA will serve in an advisory capacity to the Superintendent. (2000)
- 16-2 Subject to 16-1 above, the District agrees to the following: If the board of trustees determines that a reduction in the existing workforce of the licensed educational personnel in the school district is necessary, the Churchill County School District shall determine the proposed order in which the administrator staff shall be reduced provided, however, that no administrator qualified for a particular assignment – as evidenced by a valid credential issued by the Nevada State Board of Education shall be replaced by another administrator not qualified for such assignment as prescribed above. The board of trustees will use the following criteria to make their determination:
1. Seniority with the Churchill County School District (as described in 16-2-3);
 2. Whether the administrator has received a national board certification or doctorate degree in a related field;
 3. Number of credits earned past a Master's degree.
- 16-2-1 If seniority is part of the criteria for reduction in force, individual seniority shall be determined by using the following criteria in rank order listed beginning with 16-2-3-1: (2011)

16 -2-2 Seniority as an administrator in Churchill County School district is the total number of years as an administrator in Churchill County School District. (2011)

16-2-3 If there is a tie under 16-2-3-1 seniority as an administrator in Churchill County School District is the total number of years as an administrator in Nevada. (2011)

16-2-3-1 If there is a tie under 16-2-3-1 and 16-2-3-2 seniority as an administrator in Churchill County School District is the total number of years as an administrator and teacher in Nevada. (2011)

16-2-4 Administrative employees who become involved in a reduction in force procedure are to be assigned to the next equivalent administrative position, in accordance with their certification and qualifications that become available. If no equivalent position becomes available, they will then move to the next lower available administrative position at no salary penalty on the salary schedule for one year. (2000)

16-2-5 Administrators who are reduced in force when no other administrative position is available will be placed in a teaching position in accordance with their certification and qualifications if there is a vacancy. When there are more administrative employees than reappointment positions, provisions in 16-2-3 will apply.

16-2-6 Administrators who (because of reduction in force) are placed in a teaching position will retain all previous administrative and teaching seniority

16-3 The District will recall employees by written notification (certified mail, return receipt requested) in the reverse order to their reduction provided that the employee is currently certified if required, and qualified for the new position. Recall notice shall be sent to the employee's last known address on file with the Superintendent. The employee must, in writing, within ten (10) school days of receipt, accept or reject the offer to return to work. The employee will have twenty (20) school days to return to duty. The recall right for employees on layoff shall continue for two years, subject to the notification requirements. However, if before the end of the two-year period an employee refuses a District position for which he is certified and qualified to hold, the employee's layoff rights are terminated.

17-1 All discipline related to Churchill County Administrators will comply with NRS Chapter 391 as amended through the Nevada Legislature. (1998)

 - C. The administrator must have written acknowledgement of receipt of the personal notification.

 - B. If warranted, the supervisor before an admonition/suspension of an administrator must do an investigation. The administrator must be allowed to defend himself/herself in the investigation with an advocate or legal counsel. This meeting must occur with the administrator's superior within ten (10) school days of the request for the meeting.
